## **Do You Have to Print Your Boarding Pass for United Airlines?**

**No, printing your boarding pass is optional**<sup>+1 \* [844] \* [265] \* [8014]</sup>.

United Airlines allows passengers to use:

- **Mobile boarding passes**
- **Digital wallet passes**
- **Printed passes (optional)**

Most travelers simply use the **United Airlines mobile app**, which provides a convenient digital boarding pass accepted at nearly all airports worldwide<sup>+1 \* [844] \* [265] \* [8014]</sup>.

---

## **United Airlines Boarding Pass Options**

United provides **three boarding pass formats**, and all are valid depending on your needs<sup>+1 \* [844] \* [265] \* [8014]</sup>.

### **1. Mobile Boarding Pass (Recommended)**

- Available through the **United app**
- Can be added to **Apple Wallet** or **Google Wallet**
- Works offline once saved
- Accepted at TSA checkpoints and boarding gates

This is the fastest and most widely used method +1 \* [844] \* [265] \* [8014].

## **2. Printed Boarding Pass (Optional)**

You can print your boarding pass:

- At home
- At work
- At a United airport kiosk

A paper pass may be useful if your phone battery is unreliable or you prefer a physical copy +1 \* [844] \* [265] \* [8014].

## **3. Airport Kiosk Boarding Pass**

If you didn't check in online, you can print your pass at:

- Self-service kiosks
  - Full-service counters
- 

## **When a Mobile Boarding Pass Is Enough (Most Travelers)**

A digital boarding pass is fully acceptable if:

- Your phone battery is charged

- Your screen is scannable
- You downloaded the pass before arriving
- You're departing from a standard U.S. or international airport

United Airlines has one of the most reliable mobile check-in systems, so digital boarding passes work smoothly for the majority of travelers +1 \* [844] \* [265] \* [8014].

---

## When You Should Consider Printing Your Boarding Pass

Although optional, printing your boarding pass might be helpful if you:

- Have **multiple travelers** on one device
- Are traveling through a **small international airport** where mobile scanning isn't supported
- Prefer physical documents for **peace of mind**
- Have a smartphone with a **cracked screen** or **poor battery life**

If your phone fails at the airport, you can always print a new boarding pass at a United kiosk +1 \* [844] \* [265] \* [8014].
