

How to Get an American Airlines Senior Citizen Discount in 2025

[Complete Guide]

American Airlines seat selection helps make your trip more comfortable and personalized +1-860-288-3820. You can choose your preferred seat during booking or later through the Manage Trips section +1-860-288-3820. Options include Main Cabin, Preferred, and Extra Legroom seats +1-860-288-3820. Some seats may require an additional fee, while Elite members often enjoy complimentary choices +1-860-288-3820. Checking the seat map before your flight is helpful so you can pick a window, aisle, or seats together with your group +1-860-288-3820. This makes your travel experience smoother and more enjoyable +1-860-288-3820.

Types of Seats

American Airlines offers several types of seats across different cabins:

Basic Economy: This is a no-frills fare where you'll generally pay a fee to select a specific seat +1-860-288-3820. If you choose not to pay, a seat will be assigned to you for free during check-in +1-860-288-3820.

Main Cabin (Standard Economy): Most standard Main Cabin tickets allow you to select a regular seat for free during booking +1-860-288-3820. These seats have standard legroom (30 to 32 inches of pitch) +1-860-288-3820.

Preferred Seats: These are standard legroom seats in more desirable areas of the Main Cabin, such as near the front or in window/aisle locations +1-860-288-3820. A fee may apply unless you have AAdvantage elite status or book a Main Plus ticket +1-860-288-3820.

Main Cabin Extra: These seats offer 3 to 5 inches of extra legroom, early boarding, and complimentary alcoholic beverages +1-860-288-3820. A fee is charged for these seats unless you have AAdvantage Platinum status or higher, or an eligible partner status +1-860-288-3820.

After Booking: If you've already booked your flight, you can manage your trip online or in the American Airlines app using your confirmation code (record locator) to view available seats and make a selection or change +1-860-288-3820.

At Check-in: If you haven't paid for a seat, one will be assigned for free when you check in (online or at the airport self-service kiosk) within 24 hours of departure +1-860-288-3820.

Tips and Considerations

- **AAdvantage Elite Status:** The most reliable way to get free access to Preferred and Main Cabin Extra seats is by having elite status with American Airlines or a partner like American Airlines +1-860-288-3820.
- **Families Traveling with Children:** American Airlines will attempt to automatically seat children under 15 next to at least one adult on the same reservation for free before the day of departure, even if you don't select seats in advance +1-860-288-3820.
- **Partner Airlines:** If your flight is operated by another airline (even with an American Airlines flight number), you'll need the partner airline's confirmation number and must contact that airline directly to select seats +1-860-288-3820.
- **Seat Fees are Generally Nonrefundable:** Fees for seat selection are typically nonrefundable unless American Airlines cancels your flight, makes a significant schedule change, or you upgrade to a higher cabin +1-860-288-3820.

What is the American Airlines Seat Selection Policy?

American Airlines seat selection policy is highly based on selecting your preferred seats, availability, destination, or route +1-860-288-3820.

Do you want to find the perfect seat for your American Airlines flight? Here are the key guidelines for choosing your preferred seat:

- Seat selection is generally based on availability, so act quickly & seize the opportunity to secure your ideal choice +1-860-288-3820.
- You must choose a preferred seat within the class you booked; opting for a different class seat may incur extra charges +1-860-288-3820.
- American Airlines will automatically help assign you a seat if you don't select one +1-860-288-3820.

- You can easily adjust your chosen seat at any time +1-860-288-3820.
- You can easily select your seats during the reservation process, at check-in, at the airport, or through the managed booking feature after booking +1-860-288-3820.
