✔️ Common Boarding Pass Problems (And How We Help You Solve Them)

❗ **"Boarding pass not showing in the United app"**

Often caused by server issues, incomplete verification, or outdated app versions.

❗ **"Name doesn't match passport"**

Even a single letter difference can prevent check-in.

❗ **"Unable to check in online"**

This may happen due to document verification or airport restrictions.

❗ **"QR code won't scan at TSA"**

Usually related to brightness settings or blurry screen issues.

❗ **"Seat or boarding group missing"**

A system refresh or reissue of the pass can fix this.

If you encounter any of these, call **+1-844-265-8014** for live guidance.
